Introduction

Welcome to your online IMRD application form.

This is step one of your application for IMRD. Fill in all the information, by clicking the 'pencil' button, entering your info, and then clicking the 'save button' on the right. For more information on the questions, click the blue help button next to the question.

Please fill out all the fields. The fields marked with the small button circle are obligatory. Only after completing all the obligatory fields will you be able to submit.

You do not have to complete this application completely in one session. When you log-out, the entered data is saved. You can login again, with the same login and password, re-open your application and change or add information several times. Once submitted, you can only change data by sending an e-mail to the secretariat. After submitting the online application, you will receive an email with detailed instructions on documents that you need to send to Ghent University. Your application can only be considered if we have both your online and paper application file.

This information is used only for evaluating your application, it remains at the IMRD secretariat and is not shared with other persons or instances, other than the selection committee and members of the Management board.

Language

The applicant must be proficient in the language of the course or training programme, i.e. English. Command of the English language is a very important criterion for admission.

With the exception of those who have a diploma (Secondary Education, Bachelor Degree, Master Degree) issued by an institution officially recognized by the Flemish Government, applicants must be able to prove their proficiency in English.

There are 4 possibilities to supply this proof:

1. TOEFL certificate (more information click [here](#)), maximum 2 years old (the UGent TOEFL code is 2643) with:
 - a minimum total score of 550 on the paper based test, or
 - a minimum total score of 79 on an internet based test
2. IELTS certificate (more information click [here](#)) maximum 2 years old with a minimum overall band score of 6.
3. Proof of at least 1 academic year of comprehensive English instruction (all courses of the bachelor or master year in English) at a university or recognized equivalent.
4. Proof of a successful Intermediate Academic English test at the Ghent University Language Center (more information click [here](#)).

Remark: TOEFL/IELTS predictive tests are not acceptable.

Do you have a TOEFL or IELTS language certificate	YES
What date did you take the TOEFL or IELTS test	10-02-2009
What type of test did you take	Paper based TOEFL
What was your total score	557

If you do not have a valid TOEFL or IELTS test (results and test dates as described in the requirements above), you need to add to your application a proof of at least 1 year of academic training in English at university or comparable level. Applications without any proof of English proficiency will not be considered for admission.

If you cannot present a Language test certificate, do you have proof of academic education in English for at least 1 year?

Indicate your level of knowledge of English with a number from 0 to 4; from no knowledge to mothertongue.

English - Writing	3 - excellent knowledge
English - Speaking	3 - excellent knowledge

English - Understanding 3 - excellent knowledge

English - Reading 3 - excellent knowledge

Should you know Spanish, Dutch, French or German, then indicate the level here:

Motivation, Master Thesis, Mobility**

Where did you hear about us: from your official website

6.1 MOTIVATION

State in English, in maximum 20 lines or 2000 characters, your motivation to apply for the IMRD program. Relate your motivation to your background, education, career planning and your vision.

Motivation

My motivation to apply for the IMRD program is based on the course structure, which I have got from the IMRD's official website. The course program was offered the opportunity to study a combination of basic and specialized training in technical, economic and social sciences with different approaches to rural development in an international context, which is served as a great source of my motivation. Because of my current studies in land management, which had been given me a basic knowledge on rural development in context of Bavaria, Germany. Derived from that, I am highly inspired to broaden my further specialization in rural development through international experience and exposure to different environments, which will be an asset for my future professional career. In addition, the deplorable rural development situation in my country strongly calls

for the study as well. With the intention of a contribution to the solutions of improper rural development for the country, my vision is to initiate new rural paradigm to Mongolia for achieving sustainable rural development especially it pertains to the alleviation of the rural problems through approaches of sustainable land management and land tenure.

6.2 MASTER THESIS

Describe a potential thesis topic, in maximum 250 characters.

Potential Title of Master Thesis	THE APPLICATION OF INTEGRATED RURAL DEVELOPMENT APPROACH TO MONGOLIA: AN ASSESSMENT OF THE OPPORTUNITIES AND LIMITATIONS
Description	The research will work towards a contribution to the solution of improper rural development. The research is based on the assessment of the possibilities and limitations of applying integrated rural development approach to Mongolian context.
Is it possible to do field research in your home country.	YES
If yes, who can assist you (Name, Institute, email address).	Ganbayr Bayrjargal; Administration of Land Affairs, Constructuion, Geodesy and Cartography; gan_bayrjargal@yahoo.com

6.3 MOBILITY

Please indicate below in which locations you want to study. First have a look at the mobility table and course list on the website.

Financial Information

8. FINANCIAL INFORMATION

Erasmus Mundus offers 5-6 scholarships for non-European students to follow the IMRD program 2012-2014, and 5-6 scholarships for European students (see definition of European students on the website).

Besides this, some additional scholarships will be awarded to students from *Albania, Bosnia and Herzegovina, Croatia, FYROM, Montenegro, Serbia, Kosovo or Turkey*.

The application for the Erasmus Mundus scholarship does not need to be done separately, the IMRD coordination selects the top students from the applications and passes these names to the European Commission.

Since the number of EM scholarships is very limited, we urge our applicants to start looking for alternative sources of funding. More information on alternative scholarships can be found on our website.

Are you eligible for an Erasmus Mundus scholarship ?  YES

Do you apply for an EM scholarship? YES

Should there be no EM scholarships do you have own means of funding ?  NO

If you have no own means of funding, have you already obtained, or are you applying for, another scholarship ? NO

If you have obtained another scholarship, from which organisation or person ?

If you are currently applying elsewhere for another scholarship, with which organisation or person ?

If you have own financial means, or have already obtained alternative funding, what amount (in EURO) will you have available per year ?

9. Statement of Honour

This section does not need to be filled out electronically, this part needs to be signed on the copy to be sent by regular mail.

9. Statement of honour

I certify that the statements I have made on this application form are correct and complete. I understand that withholding information requested in this form may make me ineligible for admission or subject to dismissal. I also acknowledge that I will not claim any financial or material aid whatever from the Ghent University. I hereby agree that any false statement I have made in this application shall result in the immediate cancellation of my scholarship.
